**CONSERVE YOUR ENERGY.**  
**For Luscious Noise This Earth Day.**

San Diego, CA (March 29, 2012) – Come nightfall this Earth Day **the Luscious Noise** ensemble featuring **San Diego Symphony** members will regroup for a program infused with intoxicating classical music emissions, live dance, and multi-media.

To the melancholy recordings of trombone and electric violin by **Miles Anderson and Erica Sharp**, dancers **Denise Dabrowski** and **Oscar Burciaga** will add some live theatrics during a performance of **Jean Isaacs' & Nancy McCaleb's** dark quirky, modern piece "**Gurney.**"

On harpsichord, soloist **Mary Barranger** will play **Johann Bach's "Concerto No. 5"** in F minor and "**Harpsichord Concerto**" Op. 40 by contemporary classical composer **Henryck Górecki**; during which a short film by double bassist **Jory Herman** will be presented.

**The beat goes on with:**

..... **The Busoni Quartet** as they perform **Puccini's** tribute to the 1892 passing of a member of the Italian Royal Family, "**Chrysanthemums.**"

..... Nordic composer **Edvard Grieg's** folk melody inspired "**Two Norwegian Airs**" for strings Op. 63.

..... **Mozart's "Divertimento"** for strings in D Major; composed in 1772 at the age of 16.

**This month's Multi-Media Emulsion features.....**

..... A short film by **John Stubbs** with music by **Enrique Granados** and commentary by **Sister Wendy Beckett**. Subject matter covers the illusive 1656 painting "**Las Meninas**" by **Diego Velázquez** – considered one of the most important pieces in Western Art.

..... The world of Spanish Art Nouveau captured in this fascinating excerpt from **Hiroshi Teshigahara's** 1985 documentary "**Antonio Gaudi.**"

..... And a scene from **John Huston's** 1941 directorial debut and the first motion picture of the film noir genre – "**The Maltese Falcon.**" Based on **Dashiell Hammett's** novel, **Humphrey Bogart** stars as San Francisco detective Sam Spade.
